

Cavity Free at Three Technical Assistance Team

Monique Morisseau, MD

Dr. Monique Morisseau is a board-certified family physician in Grand Junction, Colorado. She is currently the Associate Medical director of Marillac Clinic, Inc. a clinic caring for uninsured people. She previously was a full time faculty member of the St. Mary's family medicine residency program since 1995 where she was responsible for directing and evaluating obstetrical curriculum for residents, teaching, and working the full spectrum of both in-patient and out-patient family medicine. Dr. Morisseau also worked at two Indian Health Services locations in Arizona providing family medicine, maternal child health, obstetrical care and ER services. She holds a BA in Philosophy with a minor in Chemistry from the University of New Hampshire in Durham. She earned her Medical Degree from Dartmouth Medical School in Hanover, NH and completed her residency at Brown's Family Medicine Program in Rhode Island. She is author of a variety of presentations and curricula on obstetrical topics, GYN procedures, labor induction, abnormal breast exams, and others.
